## IN OUR PARISH

### **The Sacrament of the Anointing of the Sick**

Developed from the practice of the apostles and of the early Church, this sacrament has been renewed in recent years and is a sacrament for the living. It is a ritual of healing appropriate not only for physical but also for mental and

spiritual sickness. During the reception of the sacrament, the priest lays his hands on the sick person's head and then rubs blessed oil on the person's forehead and hands, saying a brief prayer.

Who can be anointed? The Church offers the sacrament of anointing to those who are seriously ill or who are feeble because of old age. This includes those who suffer from serious chronic illnesses; patients before serious surgery; elderly people who are weak; sick children old enough to understand and be comforted by the sacrament. Those who have a serious mental illness and who would be strengthened by the sacrament may also be anointed. **To mark the World Day of the Sick, the Sacrament of the Sick will be offered in our parish at Saturday Mass next weekend (February 11th).** All who feel they are in need of the graces and strength of this sacrament are invited to receive it.

### **2016 Tax Receipts**

The 2016 Donation Tax Receipts are ready. You can pick them up at the back of the church, arranged in alphabetical order. If your family is registered under two names, you should check under both names if you can't find your receipt. For any queries email: [ascensionaccounts@yahoo.com](mailto:ascensionaccounts@yahoo.com) or call the Parish Office on a Tuesday or Wednesday morning. Thank you.

## REFLECTION

*Christianity is about light. Just as Jesus is light to the world, so his church is to be light in a world of darkness. Light enables the beauty of things to be seen, and we are called to make the beauty of the world shine. But we are not to call attention to ourselves: if you are aware of the light in a room, it is too bright. Our vocation is for others, not ourselves. Surrounded by discrimination, oppression and war, Christians are challenged to "be united in mind and judgment," and they are directed by God's love to "bring mankind to unity and peace." The light we bring to the world should lead in time to an end of all the world's darkness: the alienation and oppression of peoples, the attacks on human life and dignity, and disrespect for God's creation. "A people living in darkness has seen a great light." The Church ... serves as a leaven and as a kind of soul for human society as it is to be renewed in Christ and transformed into God's family. ... The Church not only communicates divine life to men, but in some way casts the reflected light of that life over the entire earth. (Vatican II, Constitution on the Church in the Modern World, 1965: 40)*

**Ascension Parish Refugee Project** Our refugee project has taken an unexpected turn. The application of our two young candidates for entry to Canada as refugees was rejected by the Immigration authorities. As an alternative, and on the recommendation of the Archdiocesan refugee coordinator, we have partnered with Visitation Parish, whose candidates had already been accepted, but with insufficient funds for a full year's support. The refugees are a Mother and her two adult daughters. We are happy to report that the mother and younger daughter arrived in January and we have met them. They speak both French and English. The younger daughter came ahead of her sister, in order to get into Concordia University where she is continuing her education. They are settled in an apartment and the elder girl is expected to join them shortly. Visitation Parish has sufficient funds to cover the rent, and we shall take care of their other needs for their first year. Once the family is reunited, we plan to introduce them to our parishioners, and will advise you when we have settled on a date.
