REFLECTION

Coming to faith is a journey for most of us as we discover God’s existence within the realities of our life experiences. This happens mainly through prayer and reflection. Just as the disciples gathered together to pray when they were anxious, so it is important for us to gather with our faith community to share the highs and the lows of our journey. Regular time to pray alone, to pray in community and time to reflect will be fruitful. Fear had caused the believers to lock themselves away. Can you recall a time when you have felt ‘closed in’ with a problem? What helped to free you from this? When Jesus appeared and breathed the Holy Spirit into his friends, this experience was totally life changing. How has the Holy Spirit changed your life? How do you use the Spiritual gifts you have been given in service of others? What fruit of the Spirit are manifest most in those closest to you? This week work on those gifts that are most neglected in yourself.
