IN OUR PARISH

Capital Campaign

We have successfully launched our One-Million-Dollar Capital Campaign! You will soon receive a beautiful brochure with a pledge form for your donation. No donation is too small or too large! As you will read in the brochure, the money raised will help to repair the bell tower, completely restore our 1928 Casavant organ and carry out required renovations to the church’s interior. We are counting on your generosity to help us achieve our objective.

Thank you to our Choir

This weekend our parish choir begins its summer break. We would like to take the opportunity to say thank you for your hard work and dedication to the parish. By sharing your gifts of musical talent you greatly enhance our worship every Sunday.

We wish each of you a restful summer and eagerly await your return in the fall.

REFLECTION

Today we reach the finale of the Easter season with the celebration of the great Feast of Pentecost. Reflecting on today’s readings inspires a sense of awe as we consider the mighty power of the Holy Spirit at work giving birth to and sustaining our Church. Just as awesome – the same Spirit is calling to us this day to take up our part in the Church’s saving work.

In the first reading from Acts we see the creative genius of the Holy Spirit moving through the newly confirmed Apostles “who began to speak in different tongues as the Spirit enabled them to proclaim.” The large crowd, gathered from all over the world were “amazed” and “astounded” that each one could understand the Apostles speaking in their own language.

Each one of us, young and old alike, is personally called today by the Holy Spirit into the same mission as that of the first Apostles – to advance the Kingdom of God in our corner of the world. Just as He did on that Pentecost day, the Holy Spirit speaks to us in our “own language” to give us the Good News of the Gospel and urge us to share it. We can think of our own language as the particular gifts, talents and passions we possess. We experience the presence of the Holy Spirit through them and we are meant to put them to work in grateful service of the Kingdom of God.

When we consider the stewardship way of life we are called to live, we often focus on the challenges it poses. Surrendering ourselves to God is indeed a challenging way to live. But it leads to a life that is exciting, creative and deeply rewarding. Stewardship allows us to experience life as a great adventure because it is a life guided and directed by the very source of power and creativity— the Holy Spirit!
