**REFLECTION**

**Father, Son and Spirit**

When we think of the word Spirit can we think of something lively? A sort of a flow of living water; a cycle race rather than a traffic jam. The flow of life in us rather than the ways we block life. It is the spirit of God whom we call Father, Son or Christ and Spirit. We live in that sort of love. The church is called to be that sort of community.

The trinity can make God totally distant. But that is not Jesus. He is the one who gets right into life, bringing God into humanity as one of us. Jesus talked so much about farming, weddings, death, illness, joys, trust, creation, nature, breakfasts, gardens, dinners; he is the God of the table more than the God of the temple. His spirit flows in all of creation, love, suffering and joy; He finds us in all things.

We need that big view of God. He makes everything sacred. Even the name Father, Son and Spirit. Our call is to flow with him, to go with the flow of God's Spirit. We are the flow of God in the world.

We become what we receive – the love of the Trinity in the world. We become like Christ himself as we receive this bread of life, called to be his witnesses. By what we say and do, in all we are.

Give thanks to the Lord for his presence in the Eucharist.

*Father, Son and Spirit, enfold me in love, the love of your eternal life.*

### **Catholic Church of Montreal 2021 Annual Campaign**

#### **"On a mission: Growing. Stronger. Together."**

The 2021 Annual Campaign, starting this weekend, features four people from our diocese on a mission with the worthy task of promoting and serving spiritual life and love in the various spheres of family, work, society and Church. And in spite of the current challenging circumstances, these individuals have made and continue to make a difference in their communities. They have found new ways to be present and supportive in the mission, bringing new hope through their involvement during these times of crisis.

Witnessing the love of God also means contributing to the joy, the love, the well-being and the dignity of individuals, families, youth and humanity as a whole. Let's support the Catholic Church of Montreal in its mission to serve and respond to the needs of our community.

*Together, with the grace of God, we can meet these challenges.* To contribute to the campaign online visit:
